INSTRUCTIONS:

Step One: Choose a placemat front.

Write in your choice for your placemat front using the item number and description from the website selection. You can select up to four placemat fronts in one order, but remember the minimum quantity for each placemat front is 2000.

Step Two: Choose a placemat back.

Write in your choice for your placemat back using the item number and description from the website selection. The placemat back you choose will appear on all your placemats, whether you chose one, two, three or four fronts. If you need help in selecting the appropriate back illustration, please call us, toll free, at: 1-888-292-9444.

Step Three: Choose a menu border.

We will typeset your kids menu inside one of our menu borders. Choose one that appeals to you or fits your restaurant theme. Write in your choice for your menu border using the item number and description from the website selection. If you don't want your kids menu on your placemat, simply type in "games only" in the menu border selection. We will fill the menu area with extra games for you.

Step Four: Fill in cost and company information.

Enter the total quantity of placemats you are ordering and the price for that quantity. Enter the shipping cost for that quantity of placemats (call us if your quantity is 10,000 or more). Add to get your subtotal order amount (including the \$85.00 one-time menu set up fee if applicable) and then calculate and add the applicable GST or HST for your province to get your order total. Please make sure you fill in all company information, including shipping and billing addresses.

Step Five: Payment info and sending order.

If paying by Visa/Mastercard, please fill in all the credit card information. If paying by cheque, please mail it to us with a copy of the order form. Once your order form is complete, print it out. Faxing us your order form (1-604-886-6594) will get your order started, even if you are mailing payment. Instructions for emailing or sending your logo and kids menu are at left. Thank you!
